## How to Participate

Each participating family will receive one raffle drawing entry for each activity that is completed and posted to the WVMT Families group on Facebook.

- Make a video of your family making music together, and share it!
- Visit the Family Music Zone at [www.musictogether.com](http://www.musictogether.com), and post a comment about the "Fiddle" song activities you find there.
- Attend a live music event/concert with your child, take a selfie with your program or ticket stubs, and share it.
- Listen to the new podcast series "Valley Music Minute," and comment each week about the topic.
- Jot down a "Musical Memory" in your Fiddle songbook pages, and share the photo with us.

Additionally, each participating family will receive one raffle drawing entry for each of these activities:

- Attend a Happy Hour event hosted by Ms. Wendy
- Pre-register for Winter "Drum" collection by November 30.
- Bring a friend to class! Deadline to visit is November 30.
